ABOUT US

Taif Al Haditha Enterprise LLC is a diversified business company established in 2008 in the Sultanate of Oman. The company operates across multiple sectors, providing a wide range of services that support commercial, industrial, and community needs. With years of experience in the market, the company has built a strong reputation for reliability, professionalism, and quality service.

We are committed to delivering efficient and dependable solutions in areas including oil and gas trading, precious metals trading, import and export, waste collection and scrap trading, communications and information technology, markets and commercial centers, personal services, logistics services, craft products, restaurants and cafés, fabrics, shoes and perfumes trading, agricultural products trading, food trading, and building and construction contracting.

With a strong focus on innovation, quality, and long-term partnerships, Taif Al Haditha Enterprise LLC continues to expand its capabilities while maintaining high standards of performance and customer satisfaction, contributing to the growth and development of businesses and communities across Oman.

Since 2008
